---

The objective of the Calgary Sketch Club and to foster the Club's interest and well-being is:

1. meet with other members as artists so that enthusiasm may be stimulated, fellowship enjoyed, skills improved and knowledge widened in the study of art;
2. attend and benefit from workshops, paint-outs, camps and special seminars, and participate in exhibitions. You must participate in one juried show per year;
3. attend a minimum of 9 meetings/per club year of which 3 are business meetings;
4. participate in the running of the club by serving on the Board of Directors or committees.

Your membership in the Club will be based on the quality of art, as deemed by a jury, and you're your ability and desire to participate as an active member.

Please indicate, in order of preference, which 3 committees you would be interested in. You will be advised, upon acceptance into the Club, which committee you will be involved with. During your first year with the club you will have a mentor to help you become familiar with the Club and all its activities.
