Mail to Calgary Sketch Club Membership Secretary, 299 Citadel Peak Circle NW Calgary
Alberta T3G4E8

The CALGARY SKETCH CLUB offers prospective new members the opportunity to enjoy the camaraderie of their artists as you join them in the pursuit of artistic growth and knowledge of art.

To further this growth, the Club offers weekly workshops as well as Spring and Fall week-long outdoor painting camps. The workshops are conducted by our more experienced members and also by invited, well-known artists.

The workshops include demos in various mediums, critiques of paintings and information sessions. Painting camps provide the opportunity for “plein-air” painting in scenic locations in Alberta and British Columbia.

Additionally, several Exhibitions and Sales of members’ work are held each year.

Prospective members must have their work juried by a committee and be willing to devote some time to Club activities. At this time our membership is full, however, if interested artists would like to be placed on the waiting list, please complete the attached form.

The applicant will be contacted ahead of the jury date when openings come up in the club.
